Let us pray:
For greater awareness of HIV and AIDS,
For greater dignity and rights of people living with HIV and AIDS,
For more compassion and care,
For the rejection of discrimination and stigmatization,
For wider prevention activities that address root causes of vulnerability,
For efficient mobilization of resources and treatments,
For support for those left behind to grieve the loss of their loved ones,
For increased access to treatments and care,
For support for those left behind to grieve the loss of their loved ones,
For trust and hope in our God. **Amen**
